## WELCOME TO THE SHOW

Welcome to the Hazlitt Theatre and the eighth Maidstone District Gang Show.

There are 98 Scouts and Guides in 'The Gang' and their ages range from 11 years to the middle 60's. This year we are pleased to welcome 15 members of the Maidstone Sea Cadet Corps who are to display one of their many Naval Skills during the Show.

Discipline, training and commitment are an integral part of both Scouting and Guiding. This year's Gang have demonstrated their commitment by regular attendance at rehearsals, which commenced last October. Their discipline and training will be illustrated by the polished performance they give, which is a credit both to themselves and the Movements they represent.

We must not forget the 'Back-Room' team who support the production and ensure that all is well; on the night.

'Scouting and Guiding are Fun' — I hope that the Gang will pass on, to you, the fun and friendship they have enjoyed by taking part in this year's Gang Show.

## PRODUCERS BACKWARD

Dear friends,

Welcome to this our eighth Maidstone Gang Show. Eighteen years have passed since the first Gang took to the boards, and in that time hundreds of Maidstone Scouts and Guides have made their stage debut in this very theatre, and each of them will be with us tonight, in spirit if not in body.

I am proud to say that I made my acting debut in one of the shows, back in 1974, and like all addictive drugs, I was hooked for life. Little did I know that 14 years later, it would be my privilege to produce the show.

I know better than most, that Gang Shows are the product of team work and hard graft. This show is no different, and I would like to thank everyone who has contributed in any way to make this production possible. In particular I would like to thank two OLD! friends of mine for their help and liquid inspiration, namely Lady Felicity Socket and Miss Hermione Clasp, who provided some of the material for tonight's show.

The Gang on stage are ready to play their part, they've rehearsed for six months, to get it right, but what about you? Are you ready to get your bit right? All you've got to do is: Sing, clap, stamp your feet and dare I say it 'Enjoy yourselves'. But remember you've only got the one chance to do it right, so don't let the Gang down, for:

'Together when we're all together  
We know how lucky we are . . .'

Sincerely yours

Andy Brodie  
Producer

We wish to thank the following organizations:

Marley Extrusions  
Chatham Dockyard Flag Loft  
Leonard Gould Gp of Companies  
Cars and Stripes  
W.H. Smith & Sons
